

## 2008 Spring Membership Meeting

Arrangements have been made with the Miami County Fairgrounds for a site and date to hold our May 2008 Spring Membership meeting. Saturday May 3 is the scheduled date and their 4-H Project building was selected. The building exhibit floor space available exceeds 18,000 sq ft. Bathroom facilities are included and there is a kitchen. Food service will be provided by the 4-H staff with sandwiches (hamburger, tenderloin, barbecue) etc. Friday night set up will be allowed. Tables are available (excluding their new white tables). Outside vendor set up space is available. Plenty of parking area near the building is convenient for visitors. RV hook up is available at \$20 -- water plus electric is included and waste disposal is available.

## Who's Responsible For Articles?

For all of those members who are chairing an event, the chair-person is responsible for also generating all content for *The Tendril* as soon as the event contract is finalized. This goes for any event, including Patch happenings. All upcoming events get top priority for front page coverage, however, we also try to cover the event as much as possible a couple of issues before the event so it will get broad coverage.

What do you put in your articles? Here's an old standard: Who, What, When, Where, Why and How? If you start by answering all of those questions in your article you will have put your best information to use.

Check back issues of *The Tendril* on the web site and check other publications to see what they are doing with comparable events or articles.

Write your articles in much the same manner as you speak and then go back and use your Spell Checker/Grammar Checker. The Grammar Checker may not necessarily give you the best solutions, so again, keep it like you talk.

We like to hear from all of you and try to work your articles in. Please keep the processes going!
