

## ***SEED PACKAGING DAY - 2009 — One Of Our Major Events***

Applying this year's germination rates can be a JOB!

Eenie, meenie, minie, why are the seeds so tiny?

Now, lets see, what were we talking about before the count?

Seed packaging is hard work. We have to keep in shape!

It gets pretty quiet when everyone is hard at work!

Now, you KNOW you're supposed to be doing it like this!
