

Gourd Graphic Natural	Gourd Graphic Crafted	<b>Luffa, Long</b>	<b>25</b>
		<p><b>Cucurbita (Yellow Flowered), Ornamental</b></p> <p>The vegetable sponge or “dish rag” gourd, it can grow as large as 4-5” in diameter and up to 30” or more in length. Luffa is a heat/sun-loving plant that can reach 15 feet or more. Plant where you can train the vines on a trellis or fence to keep the fruit off the ground and prevent rotting.</p> <p>Very durable as a sponge. Also used in slices in a mold with a soap filler for the mold.</p>
